NEW GOODS AT FRENCH'S 417 & 419 KING STREET, Alexandria, Va.

CREPE and CRINKLED TISSUE PAPER in twenty different shades, made of a fine, crimped, soft material, resembling silk crepe cloth more than paper. Its elasticity is wonderful, the paper stretching to almost double its length when pulled. The uses to which these papers can be put are almost endless. In many instances where silk crepe (an expensive article) used to be used this imitation crepe will be found a cheap and efficient substitute. In addition to lamp shades, fire grates, screens, etc., these materials, owing to their toughness and elasticity, can be used for fancytail costumes, etc. The various colors are beautiful in themselves, and when harmonized have a charming effect. We carry also in stock all the shades in French tissues.
